#### **ANSWER**

# THE MINISTER OF STATE FOR FOOD PROCESSING INDUSTRIES (SHRI RAVNEET SINGH)

(a): The Ministry of Food Processing Industries (MoFPI) has been implementing a component scheme – Integrated Cold Chain and Value Addition Infrastructure (Cold Chain scheme) under Pradhan Mantri Kisan Sampada Yojana (PMKSY) since 2016-17. Under Cold Chain scheme, so far 169 cold chain projects have been completed and operationalised across the country since 2016-17. State-wise number of cold chain projects completed and operationalised till 30.06.2025 across the country since 2016-17 including the States of Odisha and Jharkhand is provided at **Annexure-I.** 

State-wise number of Cold Storage facilities created so far (till 31.01.2025) across the country (including the States of Odisha and Jharkhand) under various Central Government schemes including Mission for Integrated Development of Horticulture (MIDH) of Department of Agriculture and Farmers Welfare(DA&FW) and MoFPI is provided at **Annexure-II.** 

- **(b) & (c):** MoFPI has not conducted any assessment study to identify the districts or blocks across the country where absence of cold chain logistics after crop harvesting causes significant post-harvest losses particularly for perishable items such as fruits, vegetables, marine and dairy.
- (d): Under any of the component schemes of PMKSY, no standalone cold storage and refrigerated transport system are supported. However, in the individual food processing projects, cold storage and reefer vehicles are considered as the eligible items for providing grants-in-aid/subsidy. Cold Chain scheme is demand driven and being implemented across the country. Any eligible entity including private organisations and FPOs may avail the financial assistance in the form of grants-in-aid/ subsidy for setting up of cold chain project as per the extant scheme guidelines. Under this scheme, credit linked back-ended grants-in-aid/subsidy is provided for setting up of cold chain projects @35% of the eligible project cost in general areas and @ 50% in case of difficult areas and the proposals from SC/ST, FPOs and Self Help Groups with maximum grants-in-aid/ subsidy of Rs.10.00 crore per project.

Department of Agriculture & Farmers Welfare has been implementing Mission for Integrated Development of Horticulture (MIDH) under which financial assistance is provided for various horticulture activities including construction/ expansion/ modernization of cold storages of capacity up to 5000 MT across the country on the basis of Annual Action Plan received from the States/ UTs. Under this demand driven scheme, credit linked back-ended subsidy @35% of the capital cost of the project in general areas and @ 50% in case of North East, Hilly States & Scheduled areas through respective State Horticulture Missions.

National Horticulture Board (NHB) has been implementing a scheme namely, Capital Investment Subsidy for Construction/ Expansion/ Modernization of Cold Storages and Storages for Horticulture products. Under this demand driven scheme, credit linked back-ended subsidy @35% of the capital cost of the project in general areas and @ 50% in case of North East, Hilly States & Scheduled areas for cold storage capacity above 5000 MT and up to 20000 MT is sanctioned for construction/ expansion/ modernization of cold storage and CA store, as per cost norms prescribed for various sizes/ types of cold storages / onion storages.

MoFPI through its Promotional Activities scheme, organizes food fairs and exhibitions and also participates in both domestic and international food related events, wherein it creates awareness on various schemes including the component scheme - Integrated Cold Chain and Value Addition Infrastructure (Cold Chain scheme) of Pradhan Mantri Kisan Sampada Yojana (PMKSY) being implemented by the Ministry. Expression of Interest (EoIs) are floated in the Ministry's website from time to time for inviting proposals from the eligible entities under Cold Chain scheme. For wider publicity, the EoIs are published in the leading national and regional newspapers through Press Information Bureau (PIB) and social media platforms.

- (e): Under the PM Gati Shakti initiative of Department for Promotion of Industry and Internal Trade (DPIIT), MoFPI has mapped all the cold chain projects along with their capacities, however, they are not linked with local mandis and agri-export hubs.
- (f): Under Cold Chain scheme, during the last three years (2022-23 to 2024-25), no cold chain project has been approved by MoFPI in Palghar district of Maharashtra.
