

LOK SABHA

A

BILL

to provide for special financial assistance to the State of Madhya Pradesh for the purpose of promoting the welfare of the Scheduled Castes, the Scheduled Tribes, persons belonging to the Other Backward Classes and agricultural labourers and for the development of infrastructure and for the exploitation and proper utilization of its resources.

(Shri Sudheer Gupta, M.P.)

FINANCIAL MEMORANDUM

Clause 2 of the Bill provides that there shall be paid such sums of money out of the Consolidated Fund of India, every year, as Parliament may by due appropriation provide, as special financial assistance to the State of Madhya Pradesh to meet the costs of such schemes of development, as may be undertaken by the State with the approval of Government of India.

The Bill, therefore, if enacted, will involve expenditure out of the Consolidated Fund of India for providing special financial assistance to the State of Madhya Pradesh. As the sums of moneys which will be given to the State of Madhya Pradesh as special financial assistance by appropriation by law made by Parliament will be known only after the welfare schemes to be implemented by the State Government with the approval of Government of India are identified, it is not possible to give the estimates of recurring expenditure, which would be involved out of the Consolidated Fund of India at this stage.

No non-recurring expenditure is likely to be incurred from the Consolidated Fund of India.

STATEMENT OF OBJECTS AND REASONS

The State of Madhya Pradesh is socially and economically backward. Problem of poverty, unemployment and literacy are required to be addressed immediately. Besides, measures for proper utilization of resources, welfare of weaker sections and new development schemes are also required to be undertaken in a time-bound manner to solve the problem of backwardness in the State.

It is, therefore, necessary that the Central Government should provide special financial assistance to the State of Madhya Pradesh for its all round development including the welfare of weaker sections and for the development and exploitation of its vast natural resources. Such a step of providing financial assistance to the State of Madhya Pradesh would go a long way in building a strong and vibrant nation.
