## STATEMENT OF OBJECTS AND REASONS

The State of Rajasthan is one of the favourite destinations of tourists, both domestic and foreign. Rajasthan is famous for its rich culture and tradition, fairs and festivals worldwide. The different tourist destinations attract the tourists because of various reasons including its ancient and historical monuments and archaeological sites and remains.

At present, the Archaeological Survey of India is looking after the maintenance and conservation of 161 monuments/sites. These monuments and archaeological remains of diverse nature are located in the region since prehistoric times and are scattered from Dholpur in the east to Jaisalmer in the west and Ganganagar in the north and Banswara in the south of Rajasthan.

Taking care of the monuments is an important duty that devolves on the respective State Government as well as the Central Government. It needs funds to engage people who can look after monuments, ensure that the miscreants do not harm them, as also to get the damaged portion repaired from expert designers and engineers. The Central Government must provide adequate funds for each monument.

The proper upkeep and maintenance of ancient and historical monuments and archaeological sites and remains in Rajasthan shall boost heritage tourism which will in turn increase employment, revenue generation and local business in Rajasthan.

It is, therefore, necessary that the Central Government should provide special financial assistance to the State of Rajasthan to meet the costs of repairs, renovations and preservation of ancient and historical monuments and archaeological sites and remains including excavation of new archaeological sites and remains situated in the State of Rajasthan.

Hence this Bill.

## FINANCIAL MEMORANDUM

Clause 2 of the Bill provides that there shall be paid such sums of money out of the Consolidated Fund of India, every year, as Parliament may by due appropriation provide, as special financial assistance to the State of Rajasthan to meet the costs of repairs, renovations and preservation of ancient and historical monuments and archaeological sites and remains including excavation of new archaeological sites and remain situated in the State of Rajasthan, as may be undertaken by the State with the approval of the Government of India.

The Bill, therefore, on enactment, will involve expenditure out of the Consolidated Fund of India. As the sums of moneys which will be given to the State of Rajasthan as special financial assistance by appropriation by law made by Parliament will be known only after the plans to be implemented by the State Government with the approval of Government of India are identified, it is not possible at present to give the estimates of recurring expenditure, which would be involved out of the Consolidated Fund of India at this stage.

No non-recurring expenditure is likely to be incurred from the Consolidated Fund of India.
