STATEMENT OF OBJECTS AND REASONS

Our country is prone to various natural calamities such as tsunami, floods, droughts, storms, hailstorms, cyclones, landslides and earthquakes, which cause extensive damage to life and property. Floods are frequently occurring in the States of Assam, Bihar, Uttar Pradesh, Madhya Pradesh, West Bengal, Tripura and other parts of the country. Droughts are also very common and frequent throughout the country. Tsunami and cyclones cause havoc in the coastal areas whereas storms and hailstorms cause heavy loss of life and property in hilly areas as well as in the nearby plain areas. Now frequent earthquakes have also been causing concern among the people of various regions. The havoc caused by the tsunami in the year 2004 in southern States of the country is still in our memory. We have also not forgotten the extensive damage caused by earthquakes in the States of Uttar Pradesh, Maharashtra and Gujarat in the year 1991, 1993 and 2001, respectively. Whenever a natural calamity happens, the nation has to divest its resources towards rescue and rehabilitation processes and on repairs and construction of the roads, bridges, fields, buildings, etc. which put a heavy burden on the exchequer. Fortunately, the entire nation rises to face such calamities but the loss caused thereby can never be recovered by any means.

Of course, the occurrence of natural calamities cannot be stopped but certainly with our combined efforts we can minimise the miseries of the victims of such natural calamities by providing them with timely financial relief and extending the rehabilitation programmes to them. The Central Government has to play the main role in this process, as the State Governments are not well equipped to deal with any natural calamities and to provide relief to the victims. Sometimes, delay is caused in rushing relief to the victims due to procedural wrangles. Hence, it is felt that a suitable legislation be enacted to set up a mechanism to help the victims of natural calamities instantly. The Bill seeks to provide for rehabilitation and financial assistance to the victims of natural calamities instantly in case of occurrence of any such calamity in the country.

Hence this Bill.

FINANCIAL MEMORANDUM

Clause 3 of the Bill provides for the appointment of a commissioner for providing financial assistance and rehabilitation measures to the victims of natural calamities. Clause 4 provides for financial assistance of rupees five lakhs to the next of kin of a person who dies in any natural calamity and medical treatment for injured persons and other welfare measures for the victims of natural calamities. The Bill, therefore, if enacted, will involve expenditure from the Consolidated Fund of India. At this stage, it is not possible to give an exact estimate of the actual expenditure to be involved to meet any unpredictable eventuality. However, it is estimated that recurring expenditure of rupees five thousand crore per annum would be involved from the Consolidated Fund of India.

A non-recurring expenditure to the tune of rupees one hundred crore is also likely to be involved.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 7 of the Bill empowers the Central Government to make rules for carrying out the purposes of the Bill. As the rules will relate to matters of detail only, the delegation of legislative power is of a normal character.
