ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT

(SHRI SAUGATA ROY)

(a) to (c): The City of Cuttack in Orissa is covered under the Urban Infrastructure Development Scheme for Small and Mediums Towns (UIDSSMT) of Jawaharlal Nehru National Urban Renewal Mission (JNNURM). One project each on Water Body and Road Up-gradation have been sanctioned for the city of Cuttack in Orissa with approved cost of Rs.533.66 lakh and Rs.5074.12 lakh respectively, involving Additional Central Assistance (ACA) of Rs.434.93 lakh and Rs.4135.41 lakh respectively, including Detailed Project Report (DPR) preparation cost. An amount of Rs.221.46 lakh and Rs.2105.81 lakh respectively has been released to these projects so far as 1st installment of ACA.

(d): The name of City of Cuttack figured among the 28 cities/urban agglomerations with population of 5 lakh and above which were proposed for inclusion under the Urban Infrastructure and Governance (UIG) component of JNNURM. Due to constraint of resources, these cities could not be included in UIG of JNNURM.
