ANSWER MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI RAM KRIPAL YADAV)

(a) & (b): So far 703 Gram Panchayats (GPs) have been adopted by Members of Parliament under Phase-I of SAGY and 175 GPs under phase II. The details of State/UT wise GPs adopted under Saansad Adarsh Gram Yojana (SAGY) programe can be seen at the website of the Ministry(http://saanjhi.gov.in/saanjhimis/reports/Dreports/SummarReport chosenGP.aspx).

The Gram Panchayats adopted under SAGY prepares the Village Development Plan (VDP) which contains prioritised time bound activities through convergence of various Central and State Government Schemes. The scheme intends to achieve its objectives through convergence and implementation of existing Government Schemes and Programmes without allocating additional funds. MPs are proactively tapping the resource from various sources for successful implementation of the Village Development Plan.

As on 07.12.2016, 667 GPs under Phase.I have uploaded their VDP on saanjhi website. The status of the projects undertaken by states under the scheme(phase.I) is as under.

- (c): The Ministry has taken following steps to develop the identified Gram Panchayat across the country:-
 - (i) 21 Schemes have been amended by various Ministries /Departments of Government of India to give priority to SAGY Gram Panchayat projects.
 - (ii) The Ministry of Rural Development has brought out 'SAMANVAY' Compilation of 223 Central Sector/ Centrally Sponsored and 1806 State Schemes for convergence under SAGY for the benefit of Members of Parliament, District and Village level officials about the different schemes for multitude of purposes at the GP level.
 - (iii) The Ministry has developed 35 point indicators to gauge the impact of SAGY in the GPs. Progress is measured through outcome indicators broadly covering basic amenities, education, health, sanitation, livelihood, women empowerment, financial inclusion, food security, social security and e-governance. The impact is measured on quarterly(22 indicators), half yearly(7 indicators) and yearly basis(6 indicators).
 - (iv) The Central Government sent teams to a few of the SAGY Village Panchayats to understand the convergence process and to learn from good practices. Through a review of progress on 35 indicators, efforts have been made to ascertain the performance of SAGY in a particular Gram Panchayat.
 - (v) With the intent to tap the resources and the strengths of the Private, Voluntary and Cooperative sectors (PVC Sectors), the Ministry has circulated suggestive template to State Governments for preparing proposals.
 - (vi) The Ministry has prepared a document named 'SAHYOG' which is an indicative guidance document with the essential information on the existing social security schemes collated from respective ministries. It will enrich the knowledge of villagers and village level functionaries to achieve 100% enrollment into the social/financial Security Schemes in SAGY GPs.
