ANSWER

**MINISTER OF STATE (INDEPENDENT CHARGE) IN
THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI RAJIV PRATAP RUDY)**

(a) The Vocational Training is a concurrent subject under the Constitution (entry 23). The Central Government is entrusted with responsibility of formulation of policy, laying down training standards, norms, conduct of examinations & certification and affiliation/ de-affiliation of Industrial Training Institutes(ITIs) etc. **whereas opening of ITIs**, day to day administration and admissions in ITIs is under the domain of respective State/U.Ts.

The details of number of Government ITIs, state-wise, granted affiliation during last three years and in current year is at **Annexure-I**.

(b) & (c) The Government is implementing a Centrally Sponsored Scheme titled 'Upgradation of existing Government ITIs into Model ITIs'. Under the scheme, existing Government ITI(s) in the States/UTs is/are upgraded as Model ITI. The Institute Management Committee (IMC) society is to be formed for each ITI with chairperson from Industry. The scheme was approved in December 2014 for implementation period of 3 years i.e. till FY 2016-17. A total of 25 existing Government ITIs have been identified and State/UT-wise details are attached at **Annexure-II**.

(d) & (e) Under the scheme of 'Upgradation of 1396 Government ITIs through Public Private Partnership (PPP)', a total of 1227 Government ITIs have been covered in 31 States/UTs. An Institute Management Committee (IMC) is constituted in each ITI and is headed by the Industry Partner. The IMC is registered as a Society. Interest free loan of Rs. 2.50 crore per ITI was released directly to the IMC Society of the ITI during the XI Plan period (i.e from FY 2007-08 to FY 2011-12). Financial and academic autonomy has been given to the IMC society. The objective of the Scheme is to improve the quality of training by involving the private sector. This would also support in better employability of ITI pass-outs.
