ANSWER MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI RAM KRIPAL YADAV)

- (a): The poverty lines for 2011-12 were computed by the erstwhile Planning Commission following the Tendulkar methodology. The State wise number of people living below Poverty line in rural and urban areas as per the Tendulkar methodology is given at **Annexure.**
- (b) & (c): A combined Socio Economic and Caste Census (SECC), 2011 was conducted by the State Government and Union Territory Administration with the financial and technical support of the Ministry of Rural Development to generate information on a large number of socio- economic indicators for ranking of households across the country both in rural and urban areas. The SECC data are being used in the implementation of rural development programmes viz., Mahatma Gandhi National Rural Employment Guarantee Scheme, Deendayal Antyodaya Yojana- National Rural Livelihoods Mission, Pradhan Mantri Awaas Yojana- Gramin and Deen Dayal Upadhyaya Grameen Kaushalya Yojana, which are implemented with an objective of bringing about overall improvement in the quality of life in rural areas through employment generation, development of rural infrastructure and provision of other basic amenities. These programmes have direct and indirect bearing on reduction in poverty. Various independent studies conducted to assess the impact of these programmes suggest their positive impact on poverty reduction.
