**RAJYA SABHA**  
**UNSTARRED QUESTION NO. 1549**  
TO BE ANSWERED ON 01.01.2018

**PROGRESS OF THE SHYAMA PRASAD MUKHERJI RURBAN MISSION**

**1549. SHRI AJAY SANCHETI:**

Will the Minister of **RURAL DEVELOPMENT** be pleased to state:

- (a) whether the Shyama Prasad Mukherji Rurban Mission (SPMRM) is under implementation;
- (b) if so, the details thereof along with the nature of works to be taken up under the Mission; and
- (c) the progress of the Mission in Maharashtra?

**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT**  
**(SHRI RAM KRIPAL YADAV)**

(a) & (b): Yes, The **Shyama Prasad Mukherji Rurban Mission** is under implementation across the country. The **Shyama Prasad Mukherji Rurban Mission** or the **National Rurban Mission (NRuM)** was launched by the Honorable Prime Minister on **February 21<sup>st</sup>, 2016**, with an **outlay of Rs. 5142.08 Crores**. This is a unique programme, designed to deliver catalytic interventions to rural areas on the threshold of growth. **300 Rurban clusters** with thematic economic growth points are being developed across the country under this Mission, with a funding support of upto 30% of the estimated investment for each Rurban cluster, given as Critical Gap Funding (CGF), while 70% of the funds is mobilized by the States through convergence with synergic State and Central programmes as well as private investment and institutional funding. Upon being re-classified as a Centrally Sponsored Scheme, the CGF is now shared between the Centre and the State in a ratio of 60:40 for Plain area States and 90:10 for Himalayan and NE States.

The Mission has progressed at a fast pace since the launch in 2016. Of the mandated 300 clusters, 267 clusters have been identified and approved across 29 States and 4 Union Territories. Further, through intense engagements with the States, **151 Integrated Cluster Action Plans (ICAPs)**, which are the blue prints of investment for each cluster, have been approved for **29 States and one UT of Dadra & Nagar Haveli**. **Rs 928 Crores of Central Share** of CGF, **Rs. 326 Crores as corresponding State Share** and **Rs. 85 crores of Administrative Funding**, has been released to 29 States and 4 Union Territories over the last two financial years. In **FY 2016-17**, the BE of Rs. 300 Crores was doubled at the RE stage to reach 100% expenditure, with a total release of Rs. 600 Crores. In **FY 2017-18**, Rs. 359 Crores has been released till date, against a revised allocation of Rs. 600 Crores. The budget approved for BE **2018-19**, is Rs. 1200 Crores.

Works to the tune of Rs. 1500 Crores are ongoing in the first 100 clusters under this Mission. Substantive part of the works identified for development in the clusters is focused on provision of basic and economic amenities. Provision of basic amenities in a cluster typically comprise; provision of **24/7 Water Supply** to all households, **Solid and Liquid Waste Management facilities** at the household and cluster level, **provision of Inter and Intra village roads** within the cluster, **adequate Street Lights** and **Public Transport facilities using green technologies**. **Provision of Economic Amenities** in a cluster comprise various **thematic Areas** in the sectors of

**Agri Services and Processing, Tourism, and Skill development to promote Small and Medium Scale Enterprises.**

(c): Under SPMRM, the State of Maharashtra has been allocated 20 Clusters under 3 Phases. The State has so far approved 12 clusters under 2 phases, which cover 125 Gram Panchayats (GPs) in Maharashtra. List of Clusters and Gram Panchayats are given at **Annexure-I. Integrated Cluster Action Plans (ICAPs)** have been approved for 12 clusters of Maharashtra under Phase 1 & 2, with an estimated investment of Rs. 1683.78 Crores, which includes funds to be mobilized through convergence and CGF. Total central funds of Rs. 60.30 Crores have been released to the State so far, which includes Rs. 56.10 Crores as Critical Gap Fund (CGF) and Rs. 4.20 Crores as administrative funds. Further, corresponding State Share of CGF of Rs. 23.40 Crores has been released to the clusters as per the mandate of the programme.

Works to the tune of Rs. 108.20 Crores are completed as on 30 Nov 2017 in the State. These works are spread across clusters under Phase 1 and comprise works towards sanitation, provision of drinking water, agricultural services, inter and intra village roads, drainage line works, provision of LPG connections, providing school and health infrastructure, and imparting digital literacy.
