ANSWER

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI RAM KRIPAL YADAV)

(a): The Gram Panchayats adopted under Phase-I of Saansad Adarsh Gram Yojana (SAGY) prepared Village Development Plans (VDP) through a participatory process under the guidance of Hon'ble Members of Parliament. The VDP included prioritised time-bound activities to achieve holistic progress of the village. The State/UT-wise status of activities from VDPs of Phase-I SAGY Gram Panchayats, relating to drinking water, toilets, power, roads, telephone connectivity and construction of immovable assets is given in Annexure.

(b): Progress of implementation of the programme in the SAGY Gram Panchayats adopted during Phase-II of SAGY as reported is satisfactory. So far 176 Phase-II Gram Panchayats have uploaded their Village Development Plans (VDP) on the SAGY web-site (<http://saanjhi.gov.in/>). Further, out of total 6374 projects undertaken in these Gram Panchayats, 2520 projects (40%) have either been completed or are in progress as on 28 December 2017.

(c): The Ministry has circulated suggestive template to state governments for preparing proposals for tapping support from Private, Voluntary and Cooperative (PVC) sectors. The proposals received from States/UTs have been displayed on the SAGY website for wider circulation. The details of the expenditure incurred and assets created under corporate social responsibility during the first and second phases of the scheme, State-wise and village-wise are not maintained centrally.
