**Statement referred to in reply to Parts (a) to (c) of Rajya Sabha Starred Question No.251 for answer on 19.03.2018**

(a): Pradhan Mantri Gram Sadak Yojana (PMGSY) is a one-time special intervention of the Government of India to improve rural infrastructure through construction of all weather roads to provide connectivity to eligible habitations. The programme envisages connecting all eligible unconnected habitations with a population of 500 persons and above (as per 2001 Census) in plain areas and 250 persons and above (as per 2001 Census) in Special Category States (Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim, Tripura, Himachal Pradesh, Jammu & Kashmir and Uttarakhand), Tribal (Schedule-V) areas, the Desert Areas (as identified in Desert Development Programme) and in Selected Tribal and Backward Districts (as identified by the Ministry of Home Affairs/Planning Commission). The PMGSY permits upgradation (to prescribed standards) of existing rural roads in districts where all the eligible habitations of the designated population size have been provided all weather road connectivity. In the critical LWE affected blocks (as identified by MHA), additional relaxation has been given to connect habitations with population with 100 persons and above. Out of a total of 6,734 works (roads & bridges) sanctioned, 6,452 works have been completed and 282 works are in progress in Maharashtra under PMGSY.

(b): District wise details of works sanctioned and completed in Maharashtra under PMGSY-I & II are given at **Annexure-I**.

(c): The road wise details of works under PMGSY in Kolhapur district, including the estimated cost and progress is given in **Annexure II (A)&(B)&Annexure-III**. PMGSY-I and PMGSY-II envisage completion of all works sanctioned under them by March, 2019 and March 2020 respectively.
