ANSWER

MINISTER OF STATE IN THE MINISTRY OF SHIPPING
(SHRI MANSUKH L. MANDAVIYA)

(a)to(e):Under the Sagarmala Programme, relevant Central Ministries/State Governments and their agencies are the project proponents. As part of the project development, the respective project proponents are required to prepare the Social and Environment Impact Assessment Reports to ensure that the requisite due diligence has been done by them to assess the potential impact of the proposed project on the community and environment. Further, respective project proponents are expected to take up remedial measures as per these reports.
