TO BE ANSWERED ON 23.03.2018

NEW ELECTRONICS MANUFACTURING POLICY

3292. SHRI C. M. RAMESH:

Will the Minister of ELECTRONICS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) whether there is any move to have a new electronics manufacturing policy to push in manufacture of electronics in the country;
- (b) if so, the details thereof;
- (c) how does the proposed policy help in even exporting electronic goods from the country; and
- (d) whether the Ministry is focussing on medical electronics, which is an important and highly demanding one in the world, if not, the reasons therefor?

ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI K.J. ALPHONS)

(a) to (c): The National Policy on Electronics 2012 (NPE 2012) was notified in November 2012 with the vision to create a globally competitive electronics design and manufacturing industry to meet the country's needs and serve the international market. Stakeholders' consultations have been carried out to explore the requirements for new National Policy on Electronics.

(d): Yes, Sir.
