ANSWER

MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE (DR. MAHESH SHARMA)

(a) to (c) A project proposal for “Abatement of pollution, river flow channelization and river front beautification of Berach (Ayad) river in Udaipur” costing ₹87.49 crore was received in May, 2015 from Rajasthan Urban Infrastructure Finance Development Corporation Limited (RUIFDCO), Jaipur for its consideration under National River Conservation Plan (NRCP) in May, 2015. However, the proposal was returned back to RUIFDCO as river Ayad is a part of Ganga River Basin and does not come under the purview of NRCP.
