ANSWER

THE MINISTER OF STATE FOR MINES AND COAL (SHRI HARIBHAI PARTHIBHAI CHAUDHARY)

(a)to(d): As per section 23C of the Mines and Minerals (Development and Regulation) (MMDR) Act, 1957, State Governments have been devolved with the power to frame rules for prevention of illegal mining, storage and transportation and for purposes connected therewith. The details relating to illegal mining are not maintained centrally as prevention and control of illegal mining comes under the legislative and administrative jurisdiction of State Governments.

Further, Stone is a minor mineral, as defined under section 3(e) of the MMDR Act 1957. For minor minerals, all policy & legislation for grant of mineral concessions, regulation and administration is covered in the jurisdiction of the State Governments under the MMDR Act and the rules framed thereunder.
