ANSWER

MINISTER OF STATE (IC) FOR LABOUR AND EMPLOYMENT (SHRI SANTOSH KUMAR GANGWAR)

(a) to (c): Government is following a multi-pronged strategy for elimination of child labour. It comprises of statutory and legislative measures, rehabilitation and universal elementary education along with convergence with other schemes for socio economic development. Under project based action plan, Government is also implementing the National Child Labour Project (NCLP) Scheme for rehabilitation of child labour. Under the Scheme children in the age group of 9-14 years, rescued/withdrawn from work are enrolled in the NCLP Special Training Centres, where they are provided with bridge education, vocational training, mid day meal, stipend, health care, etc. before being mainstreamed into formal education system. As per the information received from District Project Societies the number of child labourers rescued/withdrawn from work, rehabilitated and mainstreamed under National Child Labour Project Scheme during the last three years, State-wise is given at Annexure.

Under legislative action plan, Government has enacted the Child Labour (Prohibition & Regulation) Amendment Act, 2016 which came into force w.e.f. 1.9.2016. The Amendment Act inter alia provides for complete prohibition of work or employment of children below 14 years in any occupation and process and adolescents in the age group of 14 to 18 years in hazardous occupations and processes. The amendment also provides stricter punishment for employers for violation of the Act and made the offence as cognizable.

After strengthening the legislative framework through amendment in Child Labour Act, Government has framed the Child Labour (Prohibition & Regulation) Amendment Rules, 2017 which inter alia specifies the duties and responsibilities of State Governments and District Authorities to ensure effective enforcement of the provisions of the Act. Government has also devised a Standard Operating Procedure (SOP) as a ready reckoner for trainers, practitioners and enforcing and monitoring agencies.

Further to ensure effective enforcement of the provisions of the Child Labour Act and smooth implementation of the NCLP Scheme a separate online portal PENCIL (Platform for Effective Enforcement for No Child Labour) has been developed.
