NIS trained coaches

†1595. SHRI DIGVIJAYA SINGH:

Will the Minister of YOUTH AFFAIRS AND SPORTS be pleased to state that Sports Authority of India used to provide National Institute of Sports (NIS) trained coaches to Central Schemes as well as State-run Schemes in past, which have been discontinued presently; and whether the same would be revived?

ANSWER

THE MINISTER OF STATE (INDEPENDENT CHARGE) FOR
YOUTH AFFAIRS AND SPORTS
{COL. RAJYAVARDHAN RATHORE (RETD.)}

Coaches employed with Sports Authority of India (SAI) are needed for training of International, National and other SAI Scheme training. Therefore, it has been decided to train master trainers from all States, so that they further train people in their States under Community Coaching Scheme to meet the requirement of States. There is no proposal to review this decision.
