ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS
[GEN. (DR) V. K. SINGH (RETD)]

- (a) Information as desired is placed below at **Annexure-I**.
- (b) The objective of PM's visits abroad has been to enhance mutual understanding and to strengthen our relations with these countries across a wide range of sectors including trade, investment, technology, development partnership and to enhance people-to-people ties.

The Prime Minister's delegation on foreign visits usually consists of representatives from the Prime Minister's Office, the security agencies, Ministry of External Affairs and Media agencies. These officials are selected on the basis of functional requirements of that specific foreign trip. All these officials perform their specific duties assigned to them during the visit. These officials carry out their work in close proximity to the Prime Minister in many situations. As the information sought is sensitive in nature, the same is not enclosed.

As regards, non-governmental delegates, it has been the practice that a media contingent accompanies the Prime Minister on board the special flight. At present, this comprises the Doordarshan, AIR, Photo Division and ANI. In the past, it included agencies like PTI and UNI. The full details of the media persons, both official and non-officials, who accompanied both Prime Ministers from 2009-2018 during their foreign trips are placed below at **Annexure-II**.

Details of total expenditure in respect of each journey of both the Prime Ministers (from 2009-2014 and 2014-till date) are placed below at **Annexure-III**.

- (c) The details of the investment received by India from the countries after the visit of Prime Minister Shri Narendra Modi are placed below at **Annexure-IV**.
