ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (d) Ministry of Road Transport & Highways is primarily responsible for development and maintenance of National Highways in the country. The State Highway from Hyderabad to Telangana Karnataka Border (118 km) is declared as National Highway No-163 vide gazette notification no S.O.3590 (E) dated 30th November 2016. 118km length of this and the stretch of 46 km from Hyderabad Outer Ring Road to Manneguda is entrusted to NHAI for 4-Laning. The remaining section from Manneguda to Ravulapally (Telangana-Karnataka border) has already been developed to 2-lane with paved shoulder standard by State PWD of Telangana. The roads from Telangana-Karnataka border to Bijapur and from Medak Border to Ramasamudra and from Subash Chowk (Yadgir City) to Sindagi via Shahapur in the state of Karnataka are not National Highways.
