GOVERNMENT OF INDIA
MINISTRY OF PETROLEUM AND NATURAL GAS
RAJYA SABHA
UNSTARRED QUESTION NO. 147
TO BE ANSWERED ON 29th NOVEMBER, 2021

Daily LPG consumption

147 Shri Mallikarjun Kharge:

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the total number of domestic LPG cylinders consumed across the country daily;

(b) the total number of commercial LPG cylinders consumed across the country daily;

(c) the total monthly revenue earned by Government from domestic LPG cylinders in 2021;

(d) the total monthly revenue earned by Government from commercial LPG cylinders in 2021, and;

(e) the subsidy transferred to bank accounts for each LPG cylinder under the Ujjwala Yojana in 2021, month-wise?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS
(SHRI RAMESWAR TELI)

(a) & (b) During April-September, 2021, Oil Marketing Companies(OMCs) have sold 12308 TMT and 995 TMT of packed domestic and packed NDNE LPG respectively in the country, which works out to 47.4 lakh of 14.2 kg and 2.9 lakh of 19 kg cylinders per day respectively.

(c) & (d) Revenue from domestic as well as non-domestic LPG cylinders varies from month to month as the retail selling prices are notified by OMCs on the prices of the product in the international oil market and exchange rate of currencies. However, the Government levies 5 % GST on domestic LPG and 18 % on non domestic LPG.

(e) Subsidy on domestic LPG varies from market to market and the applicable subsidy is transferred directly to the bank account of beneficiary upon purchase of refill at non-subsidised price. The subsidy burden is borne by the Government.
