STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (c) OF THE RAJYA SABHA STARRED QUESTION NO. 35 FOR ANSWER ON 4th FEBRUARY 2022.

(a) to (c) : Sir, Government of India provides a lot of support for promotion of Industrial activities across the country. However, setting up of industries is primarily under the prerogative of the State Governments.

Government of India, through the Department for Promotion of Industry & Internal Trade and other Central Ministries/Departments, provides an enabling eco-system for the overall industrial development of the country, including Rajasthan through appropriate policy interventions.

No centralized information on assistance provided to State governments, with respect to industries, is maintained. However, information collated by co-ordination with ministries under the Central Government, of the efforts made for promoting and strengthening industries in the State of Rajasthan is given below:

Production Linked Incentive (PLI) Scheme : Keeping in view India's vision of becoming 'Atmanirbhar' and to enhance India's Manufacturing capabilities and Exports, an outlay of INR 1.97 lakh crore (US $ 26 billion) has been announced in Union Budget 2021-22 for PLI schemes for 14 key sectors of manufacturing starting from fiscal year (FY) 2021-22.The sectors are automobiles and auto components, pharmaceutical intermediaries & API, medical devices, Food products, Textile products, semi-conductors, high efficiency solar PV modules, specialty steel, mobile manufacturing etc**.** PLI Scheme for an **additional sector**, Drones and Drone Components, has also been approved by the Union Cabinet in September, 2021.

With the announcement of PLI Schemes, significant creation of **production, employment,** and **economic growth**is expected over the next 5 years and more.

Industrial corridor: As a part of National Industrial Corridor Programme, aimed at development of greenfield industrial zones/regions in India, Government of India has accorded approval for development of 11 corridors (32 projects) in four Phases as part of National Master Plan for providing multimodal connectivity to various economic zones. Under the Delhi-Mumbai-Industrial-Corridor Project (DMIC), following nodes have been identified in the State of Rajasthan:

a. **Khushkheda Bhiwadi Neemrana Investment Region (KBNIR), Rajasthan**

Government.Under the establishment of Institutional Facilities sub-scheme, Rs.4.44 Cr has been releasedfor up gradation of FDDI campus at Jodhpur.

One District one Product (ODOP) Scheme: The Central Government has initiated the One-District-One-Product (ODOP) in different States/UTs. ODOP is seen as a transformational step towards realizing the true potential of a district, fueling its economic growth, generating employment and rural entrepreneurship.

- ODOP initiative is operationally merged with 'Districts as Export Hub (DEH)' under DGFT, Department of Commerce. The objective of DEH is to identify products/ services across a district (including GI products) which has possible export potential. State Export Promotion Committees (SEPCs) and District Export Promotion Committees (DEPCs) have been constituted in all the 36 States/UTs to provide support for export promotion activities and address the bottlenecks for attaining export growth in these districts.
- Under ODOP, two products from Rajasthan, viz., Blue Pottery (Jaipur) and Makranamarble (Nagaur) have been identified.
- List of products identified under 'District as Export Hub' initiative for districts in Rajasthan is attached in **Annexure-I**
