(a) whether Government proposes to sanction the pending proposals for setting up new medical colleges in Pratapgarh and Jalore districts of Rajasthan; and

(b) if so, by when and if not, the reasons therefor?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE
(DR. BHARATI PRAVIN PAWAR)

(a) & (b) The Ministry of Health & Family Welfare administers a Centrally Sponsored Scheme (CSS) for 'Establishment of new Medical Colleges attached with existing district/referral hospitals' with preference to underserved areas and aspirational districts, where there is no existing Government or private medical college.

In three phases of the said Scheme, 23 new medical colleges in Rajasthan have been sanctioned, out of which, 7 have become functional. Further, all 75 medical colleges to be established in Phase-III of the Scheme, have already been sanctioned.
