ANSWER

MINISTER OF STATE FOR MICRO, SMALL AND MEDIUM ENTERPRISES
(SHRI BHANU PRATAP SINGH VERMA)

(a) & (b): Pradhan Mantri Rozgar Yojana (PMRY) has been discontinued after 2007-08. Government of India, through Ministry of Micro, Small and Medium Enterprises, has introduced the 'Prime Minister's Employment Generation Programme' (PMEGP) in 2008-09 by merging the then existing employment generation programmes namely Rural Employment Generation Programme (REGP) and Pradhan Mantri Rozgar Yojana (PMRY).

Ministry of MSME is implementing PMEGP through Khadi and Village Industries Commission (KVIC) as nodal agency at the national level for generating employment opportunities in the country by setting up micro-enterprises in non-farm sector. Under PMEGP, General Category beneficiaries can avail Margin Money (MM) subsidy of 25 % of the project cost in rural areas and 15% in urban areas. For Special Categories, the Margin Money subsidy is 35% in rural areas and 25% in urban areas. Maximum project cost for manufacturing unit is Rs.25 lakh and for service sector it is Rs.10 lakh

State/UT-wise details of project set up, loan released/credit flow by banks and estimated employment generated under PMEGP during the last three years are given at Annexure.

(c): Since 2018-19, PMEGP has been successful in generating sustainable employment for more than 5 lakh persons. 80% of this employment has been generated in rural areas. The number of units setup and estimated employment generated under PMEGP scheme during the last three years and current year is given as under.
