

GOVERNMENT OF INDIA
MINISTRY OF FOOD PROCESSING INDUSTRIES
RAJYA SABHA
UNSTARRED QUESTION NO- 1545
ANSWERED ON- 29.07.2022

NIFTEMs FUNCTIONING IN THE COUNTRY

1545. SHRI SANJAY RAUT:

Will the Minister of *Food Processing Industries* be pleased to state:

- (a) The National Institutes of Food Technology Entrepreneurship and Management (NIFTEMs) functioning in the country;
- (b) The courses being offered in the field of food technology and allied sectors;
- (c) Whether NIFTEMs have been able to meet the increasing demand of manpower in the FPIs, if so, the details thereof, if not, corrective steps taken in this regard;
- (d) Whether the Government has assessed and reviewed the functioning of the NIFTEMs, if so, details of assessment along with the corrective measures taken on the shortcomings; and
- (e) The targets set for creation of employment opportunities in the food processing sector in the next five years?

ANSWER

THE MINISTER OF STATE FOR FOOD PROCESSING INDUSTRIES
(SHRI PRAHLAD SINGH PATEL)

- (a): Sir, presently there are two National Institutes of Food Technology Entrepreneurship and Management (NIFTEM), functioning in our country. One in Kundli, Haryana and the other at Thanjavur, Tamil Nadu.
- (b): The courses offered by both the institutes are; B.Tech, M.Tech and Ph.D. in Food Technology and allied sectors. MBA course is offered by NIFTEM Kundli.
- (c): To meet the increasing demand of manpower, the sanctioned intake of the students have been increased. There are other Centrally funded Institutions/ Universities, State run Institutions/ Universities and private Institutions/ Universities offering degree, post graduate degree and doctorate degree in food technology and its allied specialization to meet increasing demand of manpower in the Food Processing Industries.
- (d): A Review Committee was set up by Ministry of Food Processing Industries(MoFPI) to review the activities of both the NIFTEMs. The Review Committee reported that both the Institutes have been doing very well ever since their inception with respect to the mandated objectives. New vistas in the contemporary areas of food science and technology for the institute to catch up with other similar institutes of international repute have also been started.
- (e): The MoFPI facilitates generation of employment in the food processing sector through Schemes Pradhan Mantri Kisan Sampada Yojana (PMKSY), Pradhan Mantri Formalisation of Micro Food Processing Enterprises (PMFME) and Production-Linked Incentive Scheme (PLIS). No specific target has been set for the next five years.
