ANSWER

MINISTER OF STATE IN THE MINISTRY OF EDUCATION

(SMT. ANNPURNA DEVI)

(a): The Department of School Education and Literacy (DoSEL), Ministry of Education has developed the Unified District Information System for Education Plus (UDISE+) system to record data on indicators of school education provided by all the States and Union Territories. As per Unified District Information System for Education Plus (UDISE+), the dropout rate for the year 2020-21, State-wise, caste-wise, religion (notified minority groups)-wise and gender-wise are at annexure.

(b) to (d): In order to mitigate/reduce the learning losses due to Covid, the Government of India has launched PM eVIDYA program for students. Through this program, various types of online models were launched in order to provide quality education to the students and can be accessed at https://pmevidya.education.gov.in/. The other initiative to provide uninterrupted learning access includes: Digital Infrastructure For Knowledge Sharing (DIKSHA) for providing quality e-content for school education in states/UTs, Swayam Prabha TV channel per class from Class 1 to 12 (one class, one channel), Extensive use of Radio, Community radio and CBSE Podcast-Shiksha Vani, Special e-content for visually and hearing impaired developed on Digitally Accessible Information

System (DAISY). Further, students can continue to recover the losses even after school hours. The summer vacations and other vacations have been curtailed to compensate the learning losses by identifying the needy students. Also students have the choice to learn through open schools. The Government of India has issued detailed guidelines on learning management plan and can be accessed at https://ncert.nic.in/pdf/announcement/Learning_%20Enhancement_Guidelines.pdf.
