(DR. JITENDRA SINGH):

(a) & (b)

Yes, Sir. Government has created the Indian National Space Promotion and Authorisation Centre (IN-SPACe) as a single window agency to promote, handhold and authorize the activities of Non-Governmental entities (NGEs). Also Department of Space (DOS) is in the process of drafting a comprehensive, integrated Space Policy, which shall provide direction to the activities of private Indian space industry.

The policy shall enable private sector to carry out end-to-end activities in space domain.
