THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SMT. ANUPRIYA PATEL)

(a) to (c): The Department of Commerce, Government of India is implementing the Trade Infrastructure for Export Scheme (TIES) w.e.f. FY 2017-18 with the objective of assisting Central and State Government agencies in the creation of appropriate infrastructure for growth of exports. Under the scheme, financial assistance in the form of grant-in-aid is provided to Central/State Government owned agencies (or their Joint Ventures with major stake-holding by them) for setting up or up-grading export infrastructure in States/UTs. The scheme can be availed by States through their implementing agencies, for infrastructure projects with significant export linkages like Border Haats, Land customs stations, quality testing and certification labs, cold chains, trade promotion centres, export warehousing and packaging, SEZs and ports/airports cargo terminuses. The Scheme guidelines are available at https://commerce.gov.in/trade-promotion/trade-promotion-assistance/.

Under the TIES, financial assistance for 27 export infrastructure projects have been approved during FY 2019-20 to 2022-23 (till 19th July, 2022). The State/UT-wise details of funds released during last three years are given at Annexure-I.
