- (g) whether Ministry would reconsider giving benefits to previous beneficiary organizations?

ANSWER

MINISTER FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI ASHWINI VAISHNAW)

- (a) to (g): A Statement is laid on the Table of the House.

**STATEMENT REFERRED TO IN REPLY TO RAJYA SABHA
STARRED QUESTION NO.*190 FOR 23.12.2022 REGARDING
EMPLOYMENT GENERATION UNDER INDIA BPO PROMOTION
SCHEME**

.....

(a): Under India BPO Promotion Scheme (IBPS), 227 units have setup BPO/ITES operations across 21 State/UTs of the country providing direct employment to 50,763 persons. The State/UT wise details of employment and Year-wise employment reported by the BPO/ITES units since 2019 under IBPS is at Annexure-A.

(b): The details of 227 BPO/ITES units setup under IBPS is at Annexure-B. The disbursement of financial support under IBPS is on reimbursement basis directly linked with the employment generation by the units. It may be noted that, the units fulfilling the terms and conditions can claim for financial support under the scheme.

(c): Growth of IT/ITES sector in India has traditionally remained confined to a few select urban clusters. India BPO Promotion Scheme has facilitated in expanding the base of IT/ITeS industry and creation of employment opportunities beyond metro cities. Under IBPS, 227 units have set up BPO/ITES operations at around 100 small towns/cities distributed across 21 States/UTs providing direct employment to 50,763 persons. The BPO/ ITeS units setup in Tier-II/III cities are changing the digital profile of the nation by creating job opportunities in ITeS sector for youths near their home and thus developing the ecosystem for the dispersal of IT industry. The scheme encourages employment to women and differently-abled persons. Under the scheme, special incentives have been provided to the units encouraging employment to women, and differently-abled persons. Out of the total employment provided by BPO/ITeS units under this scheme, around one-third are women.

(d): The BPO/ITES units under IBPS were selected through a transparent bidding process in which duration to invite bids was up to 31.03.2019. After the selection, the BPO/ITES units are getting financial support in the form of Viability Gap Funding (VGF) in three installments. This disbursement of financial support is ongoing under the scheme.

(e): In view of (d) above, does not arise as scheme is continuing.

(f): Does not arise.

(g): Does not arise.
