(a) to (c): The scholarship schemes are implemented online as per the respective scheme guidelines through the National Scholarships Portal (NSP) namely <https://scholarships.gov.in>. The NSP has phone-based helpdesk, available from 8.00 A.M. to 8.00 P.M. on all days except holidays. In addition, a dedicated e-mail is also made available on the portal. Applicants can also lodge grievances online on Centralised Public Grievance Redress and Monitoring System (CPGRAMS). Verification of the applications are conducted by the authorities in the college/universities where the students are studying. The verification officers apply due diligence while verifying an application and the students are provided opportunities to provide additional documents to support their claims. Further, the All India Council of Technical Education (AICTE) has developed an online Centralised Support System (CSS) to facilitate resolving of grievances of all stakeholders in the AICTE approved institutions. The weblink for the portal is <https://css.aicte-india.org/login>. The University Grants Commission (UGC) also have an online facility for handling grievances of students available at <https://samadhaan.ugc.ac.in/>. Payment to the students eligible to receive scholarships is done through Direct Benefit Transfer (DBT) mode to Bank Account of the student. The Public Financial Management System (PFMS) processes the payments for scholarships. To facilitate rectification of mistakes committed, if any, PFMS has provided an online facility to check the payment status under 'Track NSP Payments' on the portal.
