ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SHRI RAMESWAR TELI)**

(a) to (c): Ministry of Skill Development and Entrepreneurship is implementing Pradhan Mantri Kaushal Vikas Yojana (PMKVY) under Skill India Mission for skill based training of the youth across the country (including youth belonging to rural areas) under Short Term Training (STT) courses and Recognition of Prior Learning (RPL). Under PMKVY, STT is linked to placement, while RPL does not mandate placements as it recognizes the existing skills of candidate.

All the 33 Districts of Rajasthan are covered under the the Pradhan Mantri Kaushal Vikas Yojana (PMKVY) scheme. However, as a part of Garib Kalyan Rojgar Abhiyaan (GKRA), special training programme under PMKVY was implemented in 22 districts having high concentration of returnee migrants during COVID – 19.

The details are enclosed at Annexure I & Annexure II.

At present, third phase of PMKVY i.e. PMKVY 3.0 is being implemented. PMKVY 3.0 is a demand driven scheme with bottom-up approach and District Skill Committees (DSCs) have been entrusted with the task of identifying local demand, based on which training has been arranged in the district which strengthens the local skill capability including in the rural areas.

There are two skill development programme for rural youth under Deendayal Antyodaya Yojana-National Rural Livelihoods Mission (DAY-NRLM), namely, Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY) and Rural Self Employment Training institutes (RSETIs). Both these programmes are aimed at increasing employability of rural youth either for wage employment or self employment.

The Ministry of Rural Development has launched the Rural Mason Training (RMT) program under the Pradhan Mantri Awaas Yojana- Gramin (PMAY-G) to address the issue of insufficient number of skilled masons for construction of quality PMAY-G houses. The initiative not only avails livelihood opportunities for the rural workforce but also contributes towards the availability of a skilled workforce for the construction of rural infrastructure under different schemes. The MoRD has partnered with the Construction Skill Development Council of India (CSDCI) and National Skill Development Corporation (NSDC) in the implementation of the RMT program

Start-up Village Entrepreneurship Programme (SVEP) under DAY-NRLM programme supports the Self-Help Groups and their family members to set-up small enterprises in to non-farm sector.

Project 'UNNATI', launched in December 2019 by Government of India, is a skilling project that intends to upgrade the skill base of the Mahatma Gandhi NREGS workers, and thereby improve their livelihoods, so that they can move from the current partial employment to full employment.
