(SHRI ASHWINI VAISHNAW)

Rohtak-Meham-Hansi (69 Km) New Rail Line Project is a cost sharing project wherein Government of Haryana is sharing 50% of cost. The project has been sanctioned at a cost of ₹ 889 Cr. Work on the project have been taken up. So far an expenditure of ₹ 635 Cr. has been incurred on the project. Status of this project is as below:-

1. Rohtak-Meham (30 Km) section has been commissioned on 05.12.2022.
2. Work on the Mehram-Hansi section has been taken up.

The completion of any Railway project(s) depends on various factors like quick land acquisition by State Government, forest clearance by officials of forest department, shifting of infringing utilities, statutory clearances from various authorities, geological and topographical conditions of area, law and order situation in the area of project(s) site, number of working months in a year for particular project site due to climatic conditions etc. and all these factors affect the completion time of the project(s). With these constraints, Railways are making all efforts to complete these projects at the earliest.
