

**GOVERNMENT OF INDIA**  
**MINISTRY OF FISHERIES, ANIMAL HUSBANDRY AND DAIRYING**  
**DEPARTMENT OF ANIMAL HUSBANDRY AND DAIRYING**  
**RAJYA SABHA**  
**UNSTARRED QUESTION No. 438**  
**TO BE ANSWERED ON 9<sup>th</sup> December 2022**

**INCREASING MILK YIELD**

438 Shri K.R. Suresh Reddy:

Will the Minister of Fisheries, Animal Husbandry and Dairying be pleased to state:

- (a) whether Government agrees with the view that along with increasing the milk yield of dairy animals, interventions are required to mitigate the adverse impact of future climate warming;
- (b) if so, the measures proposed to be taken by Government in this regard; and
- (c) if not, the reasons therefor?

**ANSWER**

**THE MINISTER OF FISHERIES, ANIMAL HUSBANDRY AND DAIRYING**  
**(SHRI PARSHOTTAM RUPALA)**

(a) to (c) In order to mitigate adverse impact of future climate warming, Department of Animal Husbandry and Dairying is implementing Rashtriya Gokul Mission for development and conservation of indigenous breeds and enhancement of milk production and productivity. Indigenous cattle are well known for their quality of heat tolerance and ability to withstand extreme climatic conditions and are less affected by future climate warming.
