(c) : The implementation of SCM at the city level is done by a Special Purpose Vehicle (SPV) created for the purpose. At State level, Mission implementation is coordinated by the State level High Powered Steering Committee (HPSC) chaired by the Chief Secretary of the State.   At the National level, implementation of SCM is monitored by an Apex Committee headed by Secretary, Ministry of Housing and Urban Affairs (MoHUA). Nominee Directors of MoHUA on the Boards of SPVs monitor progress in respective cities on a regular basis. MoHUA regularly interacts with the States/Smart Cities through video conferences, review meetings, field visits, regional workshops etc. at various levels to assess the performance of cities and handhold them for improving the same. Smart Cities are assessed on various parameters including, but not limited to, project implementation and utilization of funds through the Real Time Online Geospatial Management Information System (GMIS).

(d) : As per SCM Guidelines, Central Government will provide financial support to the extent of ₹ 48,000 crore over five years to the 100 Smart Cities i.e., on an average ₹ 100 crore per city per year.
