The process of applying for LPG distributorship has been greatly simplified and a transparent online selection process has been introduced. All applicants are required to submit their application on web-based portal <https://www.lpgvitarakchayan.in>. The online selection process includes online receipt of application, processing and online draw of lots etc. Online draw of lots is conducted by M/s MSTC Ltd., a Central Public Sector Undertaking, with assistance of National Informatics Centre (NIC).

To provide better customer satisfaction and impetus for distributors for providing better services, LPG consumers have been given the choice to switch from his/her present distributor to another distributor within area, as per his/her choice under the portability facility. Further, the LPG customers can also switch to a new distributor at the time of booking of refill.
