(a): The Department of School Education and Literacy (DoSEL), Ministry of Education has developed the Unified District Information System for Education Plus (UDISE+) system to record data on indicators of school education provided by all the States and Union Territories. As per data recorded in UDISE+, total Government schools for the year 2018-19 to 2021-22 are as under:

School Management/Year	2018-19	2019-20	2020-21	2021-22
Government schools	10,83,747	10,32,570	10,32,049	10,22,386

(b) and (c): Education is in the Concurrent list of the Constitution and the opening and rationalisation of schools are within the purview of respective State Government and UT Administration. The Right of Children to Free and Compulsory Education (RTE) Act, 2009 provides children's access to elementary schools within the defined area or limits of neighbourhood. In pursuance to Section 6 of the RTE Act, all States have notified area or limits of their neighbourhood norms. Further, Section 8 of the RTE Act, 2009 also mandates that the appropriate government shall provide free and compulsory elementary education to every child and will ensure availability of neighbourhood schools.
