ANSWER

Minister of State in the Ministry of CIVIL AVIATION (GEN. (DR) V. K. SINGH (RETD))

(a) & (b): Government of India has granted 'in-principle' approval for setting up of 21 new greenfield airports in the country. Out of these, Mopa (Goa), Noida (Jewar), Navi Mumbai, and Dholera will also act as second airports to the existing airports. As a second airport to Chennai, State Government of Tamil Nadu has submitted an application to Ministry of Civil Aviation for grant of 'Site-Clearance' for development of a new Greenfield airport at Parandur, Kancheepuram District, Tamil Nadu and the proposal is under examination by Airports Authority of India (AAI), Directorate General of Civil Aviation (DGCA) and Ministry of Defense (MoD).

The list of number of passengers flying through Indian airports in the last three years, airports-wise, is annexed.

(c): AAI had leased out Delhi and Mumbai Airports in 2006 to Private Partners. So far, AAI has received Annual Fees of more than Rs.30,000 crore as Revenue share from both these Private Partners.

AAI also leased out another six of its airports namely, Mangaluru, Lucknow, Ahmedabad, Guwahati, Jaipur and Thiruvananthapuram to Private Partners in the year 2020 and 2021. Private Partners of these airports have paid approximately Rs. 896 crore to AAI as Per Passenger Fee (PPF) till February, 2023. AAI has also received an amount of approximately Rs.2349 crore from the Private Partners of six airports in the form of upfront fee towards the capital expenditure incurred by AAI at these airports.

In addition, Gol also receives 4% of the Gross Revenue as Concession Fee from Operators of Bangalore and Hyderabad Airports. As of now, Gol has received an amount of approximately Rs. 620 crore as Concession Fee from these airport operators.
