GOVERNMENT OF INDIA MINISTRY OF COMMERCE & INDUSTRY (DEPARTMENT OF COMMERCE)

RAJYA SABHA UNSTARRED QUESTION NO. 221(H) TO BE ANSWERED ON 03rd FEBRUARY, 2023

EXPORT-IMPORT OF FOOD GRAINS AND AGRICULTURAL PRODUCTS

221(H) SHRI NEERAJ DANGI:

Will the Minister of **COMMERCE & INDUSTRY** be pleased to state:

(a) the quantity and value of export and import of food grains and other agricultural products during last two years, item-wise and country-wise;

(b) whether any target has been fixed regarding the quality and rate of such products, if so, the details thereof;

(c) India's share in global trade of food-grains and agricultural products and the contribution of agriculture sector in total exports; and

(d) the measures taken or being taken by Government to increase the export of such products?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SMT. ANUPRIYA PATEL)

(a): Product-wise and country-wise details of India's exports of food grains and other agricultural products, during last two years, are at Annexure-I and Annexure-II, respectively. Product-wise and country-wise details of India's imports of these products, during last two years, are at Annexure-III and Annexure-IV, respectively.

(b): For exports, the quality of agriculture products exported has to conform to the quality requirements of the respective importing countries; whereas the quality for the agriculture products imported into India has to conform to the quality parameters defined by the Food Safety & Standards Authority of India (FSSAI). Rates of agricultural products, both for export and import depend on the prevailing market scenario.

(c): As per World Trade Organization's 'World Trade Statistical Review 2022', India's share in global trade of agricultural products during 2021 was 2.4% for exports and 1.7% for imports. Contribution of agriculture sector in total exports of India during 2021-22 was 11.90%.

(d): The Government has taken several steps at State/ District levels to promote exports. State specific Action Plans have been prepared and State Level Monitoring Committees (SLMCs), Nodal Agencies for agricultural exports and Cluster Level Committees have been formed in a number of States. Country and product-specific action plans have also been formulated to promote exports. The Government is also in the process to utilize the proposed District as Export Hub (DEH) Initiative to achieve the objectives of Agriculture Export Policy. Under the DEH initiative,

products including agricultural products with export potential have been identified in all 733 districts across the country. State Export Strategy has been prepared in 28 States/UTs.

The Agricultural & Processed Food Products Export Development Authority (APEDA), an autonomous organisation under the administrative control of Department of Commerce, has the mandate to promote exports of agricultural and processed food products. APEDA has been providing assistance to the exporters under various components of its Export Promotion Scheme.

The Department of Commerce provides financial assistance to promote exports, including exports of agricultural products, through Market Access Initiatives (MAI) Scheme, Export Promotion Schemes of APEDA and Marine Products Export Development Authority (MPEDA) etc.

Further, a Farmer Connect Portal has been developed for providing a platform for farmers, Farmer-Producer Organizations (FPOs) and cooperatives to interact with exporters. Buyer-Seller Meets (BSMs) have been organized in the clusters to provide export-market linkages. Regular interactions, through video conferences, have been held with the Indian Missions abroad, to assess and tap export opportunities. Country specific BSMs, through Indian Missions, have also been organized.

Annexure-I

Annexure referred to in reply to part (a) of Rajya Sabha Unstarred Question No. 221 for answer on 03.02.2023.
