- (d) when would the Housing for All in the country be completed?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SADHVI NIRANJAN JYOTI)

- (a) The number of houses sanctioned and completed under Pradhan Mantri Awaas Yojana - Gramin (PMAY-G) during the last five years i.e. 2017-18 to 2021-22 are 2.21 crore and 1.77 crore respectively. The States/Union Territories (UTs) wise details of targets allocated, houses sanctioned and completed during last five years (FY 2017-18 to 2021-22) under PMAY-G is given in **Annexure**.
- (b) During the period of Covid-19 pandemic induced nation-wide lockdown, all construction activities including construction of houses under PMAY-G were affected which retarded the pace of construction of PMAY- G houses. Besides, the delays are also due to delay in release of Central & State Share from State Treasury to State Nodal Account of PMAY-G, cases of unwillingness of beneficiaries, migration, disputed succession of deceased beneficiaries, delay in allotment of land to landless beneficiaries by the States/UTs, at times General/ Assembly/ Panchayat elections, and unavailability of building materials. Therefore, the timeline for completion of 2.95 crore houses under PMAY-G has been extended from March, 2022 to March, 2024.
- (c) In order to capture the details of the households though eligible under PMAY-G but not included in PMAY-G, the Ministry through States/ UTs carried out the Awaas+ survey during January 2018- March 2019. At present, there is no proposal to carry out the survey again.
- (d) As per the approval of Union Cabinet, the deadline for completion of 2.95 crore houses under PMAY-G is March, 2024.
