ANSWER

MINISTER OF CULTURE, TOURISM AND DEVELOPMENT OF NORTH EASTERN
REGION

(SHRI G. KISHAN REDDY)

(a) & (b) To promote inter-State cultural activities at the national level, Ministry of Culture implements a scheme viz. National Cultural Exchange Programme through its seven Zonal Cultural Centres (ZCCs) set up in the country with headquarters at Patiala, Thanjavur, Nagpur, Dimapur, Udaipur, Prayagraj and Kolkata. Under this scheme, various festivals of performing arts, exhibitions, yatras etc are organized in member States by these ZCCs. Artists from other Zones/States are invited to participate in these programmes. Participation of artists from the Zones in festivals held in other parts of the country are also facilitated. Ministry of Culture also organizes Rashtriya Sanskriti Mahotsavs (RSMs) in the country with an objective of connecting the younger generations with the rich cultural heritage and diversity of Indian Culture. Since 2015, the Ministry has organized fourteen (14) RSMs in the country. These RSMs promote inter-State Indian cultural activities at the national level as folk and tribal artists from different States are engaged to showcase their talents during these programmes.

Further, an initiative of Ministry of Education, Govt. of India, Ek Bharat Shreshtha Bharat (EBSB) programme aims to celebrate cultural diversity through mutual interaction & reciprocity between people of different States and UTs so that a spirit of understanding resonates throughout the country. Every State and UT in the country is paired with another State/UT to carry out a structured engagement with one another. Higher Education Institutes and schools conduct activities like webinar/ seminar on various themes like history, tourist attractions, culture, traditions etc. of the paired state, essay writing, identification and translation of similar proverbs, themed display board, learning language of the paired State, online cultural programme in collaboration with paired State, games & sports of the pairing State, food festival, etc. Under the Student Exchange Programme, students from Higher Education Institutions and Schools of a State/ UT travel to their paired State where they can experience the culture and tradition of the paired State and spend some time to see the life of

people in different States of India. Under Yuva Sangam programme, exposure visits of youth (college/ university students and off-campus youth of age group 18-30 years) are being organized between the 8 NE States and other States. In this regard, as a pilot initiative, 11 Higher Education Institutions from NE and 14 from other States have been paired. Multi-dimensional exposure is given to the youth during these visits under five broad areas – Paryatan (Tourism), Parampara (Traditions), Pragati (Development), Prodyogik (Technology) and Paraspar Sampark (People-to-people connect). As a fresh step in this direction, “Kashi Tamil Sangamam” event was recently held from 17th November to 16th December, 2022. This programme provided an opportunity to people from all walks of life including scholars, students, philosophers, traders, artisans, artists etc. from the two regions to come together, share their knowledge, culture and best practices and learn from each other’s experiences. The pairing States under EBSB given by Ministry of Education till 31st March, 2019 are as under:
