ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

- (a): As part of National Industrial Corridor Development, two (2) Multi Modal Logistics Hub (MMLH) projects, namely Integrated Multi Modal Logistics Hub (IMLH) at Nangal Chaudhary, Haryana and Multi Modal Logistics Hub (MMLH) & Multi Modal Transport Hub (MMTH) at Greater Noida, Uttar Pradesh have been approved by the Government in May, 2018 and December, 2020 respectively.
- (b): Bharatmala Pariyojana, which is primarily Highways and Expressways development programme is the outcome of Logistics Efficiency and Enhancement Programme (LEEP) study. Under Bharatmala Pariyojana apart from several Highways and Expressways development, 35 Multi Modal Logistics Parks (MMLPs) are approved by the Government. The MMLPs are developed based on availability of land with the State Government/Government Authorities. Land Area of MMLP is decided based on the outcome of pre-feasibility studies. The details of land area , already decided for some MMLPs, based on feasibility studies, are as follows:

Sl.No.	Name of MMLP	Area of Land (Acres)
1.	Bengaluru	392
2.	Chennai	184
3.	Nagpur	231
4.	Indore	255

- (c):** For development of Multi Modal Logistics Parks (MMLPs), National Highways Logistics Management Limited (NHLML), a 100% subsidiary of NHAI, has been formed by Ministry of Road Transport & Highways (MoRTH).

- (d):** To address these issues e-Logistics services (eLogs) and Unified Logistics Interface Platform (ULIP) have been launched as part of New Logistics Policy by this Department. Currently, 33 systems of 07 different Ministries have been integrated through development of 106 APIs in ULIP.
