3002. SHRI PARIMAL NATHWANI:

Will the Minister of MINES be pleased to state:

(a) the details of new mines that have been identified across the country for various minerals and the identified potential reserves;

(b) the plans to begin commercial mining at these locations; and

(c) the specific details regarding new mines identified in the States of Andhra Pradesh and Gujarat and plans for starting commercial mining at these locations?

ANSWER

THE MINISTER OF MINES, COAL AND PARLIAMENTARY AFFAIRS (SHRI PRALHAD JOSHI)

(a) to (c): As per the information provided by State Governments, the details of new mines for which Notice Inviting Tenders (NITs) have been issued by the State Governments including Andhra Pradesh & Gujarat for the auction of various mineral blocks are given at **Annexure**. Further, As per the Mines and Minerals (Development and Regulation) (MMDR) Act, 1957 and the rules framed thereunder, the State Governments are empowered to grant mineral concessions for the minerals located within their respective jurisdiction. Further, after the successful auction of the mineral blocks, mining lease has to be executed and production from the block has to be started as per the timelines prescribed in the Mineral (Auction) Rules, 2015 and the Minerals (Other than Atomic and Hydro Carbons Energy Minerals) Concession Rules, 2016.
