(a) to (c) The Government of India launched Samagra Shiksha an integrated scheme for school education w.e.f. 2018-19, as an overarching programme for the school education sector extending from pre-school to class XII and aims to ensure inclusive and equitable quality education at all levels of school education.

The scheme provides support inter-alia for establishment of new schools by up-gradation of upper primary schools to secondary schools and up-gradation of secondary schools to senior secondary schools and, thus, for establishment of composite schools. The scheme also supports strengthening of infrastructure of existing schools which includes provision of funds for new school buildings, additional classrooms, science laboratories, libraries, computer rooms, art and culture rooms, drinking water facilities, boys' toilets, separate girls' toilets, Children with Special Needs (CwSN) toilets etc., as per the gaps identified under UDISE+.

Under Samagra Shiksha scheme, the States and UTs prepare their Annual Work Plan proposal as per their requirements, which are appraised & viable proposals are approved by the Project Approval Board as per guidelines of the scheme, in consultation with the respective States/UTs.
