Alloc. – Allocation; Expd. - Expenditure

Expenditure in some States is in excess against their allocation, however total expenditure in the country is well within the Ministry's overall Budgetary allocation.

\$- Erstwhile Jammu and Kashmir State before reorganisation to State of Jammu & Kashmir and UT of Ladakh

^ - Erstwhile UTs before merger

* - Negative allocation is reflected as funds were re-appropriated from State PWD to NHAI/NHIDCL due to lower expenditure being incurred. However the State/UT wise allocation was not reduced due to sanction purposes.

** - Expenditure included in State/UT wise

Allocation and expenditure in the above statement includes PR/IRQP which is funded from NH (O) from 2021-22 onwards. Therefore, total allocation is greater than total outlay of M&R.
