UNSTARRED QUESTION NO. 511
TO BE ANSWERED ON : 07.02.2023

Subsidy on fertilizers

511. SHRI A.D. SINGH

Will the Minister of **CHEMICALS AND FERTILIZERS** be pleased to state:

- (a) the manner in which subsidy was computed on NPK fertilizers before the introduction of Nutrient Based Subsidy(NBS) w.e.f. 1.4.2010;
- (b) the outlier and sharing formula of 65:35 referred in subsidy circulars for the period prior to 1.4.2010;
- (c) the name of the companies who shared with Department of Finance (DoF) under 65:35 formula and the amount shared by each; and
- (d) whether there is a plan to introduce NBS for Urea and whether it will result in subsidy saving?

ANSWER

MINISTER OF STATE FOR CHEMICALS & FERTILIZERS

(SHRI BHAGWANTH KHUBA)

(a) : Sir, the computation of subsidy on P&K fertilizers before Nutrient Based Subsidy (NBS) was decided on the cost plus approach. In this approach, the total delivered cost of the fertilizers being invariably higher than MRP fixed by the Government, the difference between delivered price of fertilizers at farm gate level and the MRP was compensated by Government in the form of subsidy.

(b) : The outlier and sharing formula of 65:35 referred in subsidy circulars are **enclosed**.

(c) : Sir, there were no companies which under 65:35 formula shared with Department of Finance.

(d) : Sir, Presently there is no such proposal and thus the question of subsidy saving due to introduction of NBS for Urea does not arise.

Subject: Continuation of Concession Scheme on decontrolled Phosphatic & Potassic (P&K) fertilizers with effect from 1st April 2008 — regarding.

Madam/Sir,

In continuation of this Department letter No. 5-1/2007-Shipping II-MPR dated 12th September 2007 conveying continuation of the Concession Scheme on decontrolled Phosphatic & Potassic (P&K) fertilizers for 2007-08, No. 12012/512008-FPP dated 17th June 2008 conveying revised MRPs of P & K Fertilizers, No. 22011/6/2008 MPR dated 27th June 2008 announcing base rates of concession for P&K fertilizers and 30th June 2008 notifying MRPs and base rates of Ammonium Sulphate and Triple Super Phosphate, I am directed to convey the decision of the Government of India to continue the Concession Scheme on decontrolled P & K fertilizers with effect from 1st April 2008 till further orders with the following policy.

2. The Maximum Retail Prices (MRPs) of decontrolled P & K fertilizers covered under the Concession Scheme will be as per the details given below:

Products	MRP w.e.f. 1st April 2008 up to 17th June 2008	MRP w.e.f. 18th June 2008
DAP	9350	9350
MAP	9350	9350
MOP	4455	4455
Grades of Complex Fertilizers — N: P: K: S		
16:20:00:13	7100	5875
20:20:0:13	7280	6295
20:20:00:00	7280	5343
23:23:00:00	8000	6145
28:28:00:00	9080	7481
10:26:26:00	8360	7197
12:32:16:00	8480	7637
14:28:14:00	8300	7050
14:35:14:00	8660	8185
15:15:15:00	6980	5121

17:17:17:00	8100	5804
19:19:19:00	8300	6487

- 3) Final concession rates will be worked out on monthly basis w.e. f 1" April 2008 taking into account prices adopted as detailed below.
- 4) Monthly concession for imported MOP and imported and indigenously granulated MAP will be based on average of the low and the high C&F prices for the preceding month published in the Fertilizer Market Bulletin (FMB) - FSU fob plus Baltic freight for MOP and Baltic fob plus Baltic freight for MAP or the actual weighted average of the landed prices for the current month, whichever is lower.
- 5) Monthly concession for imported DAP will be based on the average of low and high prices of DAP published in FMB and Ferticon from US Gulf fob, plus Tampa-Mundra freight, for the previous month or the actual weighted average of the landed price for the current month. whichever is lower.
- 6) Monthly concession for indigenous DAP will be same as that given to imported DAP.
- 7) Per unit price of 'P' for monthly concession for complex fertilizers will be derived from the delivered cost of DAP and imported Ammonia under the Concession Scheme.
- 8) Per unit price of 'N' for monthly concession for complex fertilizers will be based on individual unit-wise cost of 'N' as considered by the Tariff Commission up to 31" March 2010. Thereafter, i.e.. w.e.f. 1" April 2010, unit-wise or group-wise price of 'N' as recommended by the Tariff Commission (based on usage of feed stock, namely gas. naphtha, imported urea/ammonia and imported ammonia), whichever is lower, will be recognized.
- 9) Per unit price of 'K' for monthly concession for complex fertilizers will be based on the C&F cash price of MOP, as recognized for the concession scheme for MOP.
- 10) A separate cost of 'S' for sulphur containing complex fertilizers will be recognized based on the price of imported sulphur.
- 11) Group-wise *Other costs' as recommended by Tariff Commission will be recognized for monthly concession for complex fertilizers. For IFFCO Paradeep, 'Other Cost' will also include separate cost of investment/ revamping, as calculated by Tariff Commission.
- 12) Decision on cost of freight for distribution of all fertilizers including under Transport Subsidy Scheme for difficult areas will be conveyed separately.
- 13) Government of India has decided to include indigenous and imported TSP (0-46-0) under the Concession Scheme for decontrolled Phosphatic and Potassic Fertilizers w.e.f. 1" April 2008 with MRP of Rs. 7460 per MT and indigenous Ammonium Sulphate (20.6-0-0-23) w.e.f. 1" July 2008 with MRP of Rs. 10350 per MT.
- 14) Monthly concession for indigenous and imported TSP will be based on the average of low and high fob prices of TSP published in FMB plus freight for the previous month or the actual weighted average of the landed price for the current month, whichever is lower.

15) Monthly concession for indigenous AS will be computed in line with other complex fertilizers based on the individual unit-wise cost of 'N' of the respective units (GSFC, Baroda & FACT, Udyogmandel) up to 31st March 2010. Thereafter, i.e., w.e.f. 1st April 2010, unit-wise or group-wise price of 'N' (based on usage of feed stock, namely gas and naphtha). whichever is lower, will be recognized. Escalation/de-escalation in the cost of sulphur will be as applicable to sulphur containing complex fertilizers.

16) Concession payable for MAP (11-52-00) and TSP (0-46-0) will be capped to that payable for DAP. Further, import of MAP and TSP on Government account, if any, would be within the overall ceiling for imported DAP in a year as decided from time to time to the extent of shortfall in availability of DAP.

17) The average of the low and the high C&F prices of Ammonia (cfr India), Sulphur (cfr India) and Prilled Urea (Arabian Gulf fob) for the preceding month published in the Fertilizer Market Bulletin (FMB) or actual weighted average landed price for the current month purchased by the P&K manufacturers' importers will be adopted for monthly concession for complex fertilizers. Price of naphtha purchased by the Fertilizers & Chemicals Travancore Limited (FACT) during the current month will be adopted for working out the cost of 'N' for naphtha based Complex fertilizers. Price of natural gas (APM) as per the current month will be adopted for working out the cost of 'N' for gas based Complex fertilizers.

18) The input fertilizer prices for the Concession Scheme will be derived on the basis of an 'outlier methodology'. Accordingly, the weighted C&F price of various raw-material/intermediates/finished fertilizers (landed at Indian ports in the relevant month) for computation of monthly concession will be adopted by excluding the outlier(s). Prices, which are less than 5% or US \$ 30 per MT of the Industry average', whichever is lower, will be excluded while computing the 'industry average'. The 'outlier' will be provided a separate treatment whereby the difference between 'outlier' price and the Industry average' will be shared in the ratio of 65:35 between the 'outlier' and the Government respectively. The 'outlier' methodology will also be applicable to all long-term contracts including all existing long-term contracts such as Ammonia Off-Take Agreement (AOTA) of with OMIFCO w.e.f. 1st April 2008.

19) The Buffer Stocking Scheme for 3.5 lakh MT of DAP and 1 lakh MT of MOP well 1st April 2008 will be continued.

20) State Governments/ Union Territory Governments are requested to ensure that the manufacturers and importers of P & K fertilizers are not allowed to sell the decontrolled P & K fertilizers at rates more than the MRPs indicated above in paragraphs 2 & 13 above.

21) This issues with the concurrence of the Internal Finance Division of Department of Fertilizers vide their dairy no. 1328108.'AS&FA dated 7th July 2008.

Yours faithfully,

19:19:19:00	6487
Ammonium Sulphate	10350

Final concession rates will be worked out on monthly basis w.e.f 1st April 2009 taking into account prices adopted as detailed below.

4. Monthly concession for imported Di-Ammonium Phosphate (DAP) will be based on the average of low and high prices of DAP published in Fertilizer market Bulletin (FMB) from and Fertecon from US Gulf fob, plus Tampa-Mundra/India West Coast freight for the month preceding the last month or the actual weighted average of the landed price for the current month, whichever is lower.
5. Monthly concession for indigenous DAP will be same as that given to imported DAP.
6. Monthly concession for indigenous and imported TSP will be based on the average of low and high fob prices of TSP published in the FMB plus freight for the month preceding the last month or the actual weighted average of the landed price for the current month, whichever is lower.
7. Monthly concession for imported MOP and imported and indigenously granulated MAP will be based on average of the low and the high C&F prices of the month preceding the last month published in the Fertilizer Market Bulletin (FMB) — FSU fob plus Baltic freight for MOP and Baltic fob plus Baltic freight for MAP or the actual weighted average of the landed prices of the current month, whichever is lower.
8. Per unit price of 'P' for monthly concession for complex fertilizers will be derived from the delivered cost of DAP and imported Ammonia under the Concession Scheme.
9. Per unit price of 'N' for monthly concession for complex fertilizers will be based on Group-wise cost of 'N' (based on usage of feed stock, namely gas, naphtha, imported urea/ammonia and imported ammonia), as adopted by the Government based on the recommendation of the Tariff Commission.
10. Per unit price of 'K' for monthly concession for complex fertilizers will be based on the C&F cash price of MOP, as recognized for the concession scheme for MOP.
11. Per unit cost of 'S' for sulphur containing complex fertilizers will be recognized based on the price of imported sulphur.
12. Group-wise 'Other costs' as adopted by the Government based on the recommendation of the Tariff Commission will be recognized for monthly concession for complex fertilizers. For IFFCO Paradeep, 'Other Cost' will also include separate cost of investment/revamping, as adopted by the Government based on the calculation of the Tariff Commission.
13. Freight will be, reimbursed as per the. Uniform Freight Subsidy on actual basis.
14. Concession payable for MAP (11-52-00) and TSP (0-46-0) will be capped to that payable for DAP. Further, import of MAP and TSP on Government account, if so decided, would be within the overall ceiling for imported DAP in a year as decided from time to time to the extent of shortfall in availability of DAP.
15. The average of the low and the high C&F prices of Ammonia (cfr India), Sulphur (Cfr India) and Prilled Urea (Arabian Gulf fob) for the preceding month published in the fertilizer Market Bulletin (FMB) or actual weighted average landed price for the current month purchased by the P&K manufacturers/ Importer, whichever is lower, will be adopted for monthly concession for complex fertilizers. Price of Naptha purchased by

the fertilizers & Chemical Travancore Limited (FACT) during the current month will be adopted for working out the cost of 'N' for Naptha based complex fertilizers. Price of natural gas (APM) as per the current month will be adopted for working for working out the cost of 'N' for gas based complex fertilizers.

16. The input / fertilizer prices for the Concession Scheme will be derived on the basis of an 'outlier' methodology. Accordingly, the weighted CAF price of various raw-materials/intermediates/finished fertilizers (landed at Indian ports in the relevant month) for computation of monthly concession will be adopted by excluding the outlier(s). Prices, which are less than 5% or US \$ 30 per MT of the 'industry average', whichever is lower, will be excluded while computing the 'industry average'. The 'outlier' will be provided a separate treatment whereby the difference between 'outlier' price and the 'industry average' will be shared in the ratio of 65:35 between the 'outlier' and the Government respectively. The 'outlier' methodology will also be applicable to all long-term contracts including all existing long-term contracts such as Ammonia Off-Take Agreement- (ROTA) of IFFCO with OMIFCO w.e.f 1st April 2008.

17. Monthly weighted average landed prices of finished fertilizers and fertilizer inputs are computed by the Department based on the documents provided by the importers such as Bill of Lading and Bill of Entry including customs paid on quantity and value of the imports, Importers are required to disclose net quantity and value, net of any off-invoice transactions.

18. Updation in the factor of escalation/ de-escalation in the nutrient price for complex fertilizers w.e.f 1st April 2009 will be carried out in consultation with the Department of Expenditure, Ministry of Finance after the Tariff Commission's recommendation is received.

19. Payment procedure will be as implemented by the Department vide letter no, 19011/59/2003-MPR (pt) dated 12 March 2009 for supplies of fertilizers w.e.f 1st December 2008 on the basis of arrival/ receipt of fertilizers in the districts and certificate of receipt by the State Government and sale of fertilizers by the company certified by their statutory auditor.

20. The buffer stocking Scheme for 3.5 lakh MT of DAP and 1 Lakh MT of MOP w.e.f 1st April 2009 will be continued.

21. State Governments / Union Territory Governments are requested to ensure that the manufacturers and importers of P & K fertilizers are not allowed to sell the decontrolled P & K fertilizers at rates more than the MRPs indicated above in paragraphs 2 above.
