ANSWERED ON 08/02/2023

New Education Policy 2020

667 Shri Parimal Nathwani:

Will the Minister of Education be pleased to state:

- a) whether there has been an increase in the number of students joining schools at the entry level after introduction of the New Education Policy (NEP) 2020 by Government;
- b) if so, the number of students enrolled at entry level over the last three years, State wise;
- c) one of NEP's key focus areas was vocational education and training at the secondary level, whether this has been implemented; and
- d) if so, the number of students who have opted for vocational education & training over last three years, State-wise?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF EDUCATION

(Dr. SUBHAS SARKAR)

(a) & (b): As per Unified District Information System for Education (UDISE+) the state wise number of students enrolled in class-1 (Government+ Government Aided Schools) during the last three years is at Annexure-I.

(c) & (d): The National Education Policy (NEP) 2020 emphasises on imparting vocational education through integration and mainstreaming of vocational education with general education.

The Department of School Education and Literacy is implementing the initiative of Vocational Education under the umbrella of the Integrated Centrally Sponsored Scheme 'Samagra Shiksha'. The scheme aims at integrating Vocational Education with general academic education in Secondary/Senior Secondary schools as per the National Skill Qualification Framework (NSQF) to the students from class 9th to 12th. The scheme covers Government and Government aided schools. The state wise number of students who have opted for vocational education & training over last three years is at Annexure-II.
