**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION  
(DR. SUBHAS SARKAR)**

(a) The State/UT-wise details of percentage of schools with separate toilets for girls and boys for the last five years are attached at **Annexure**.

(b) to (e) In response to the announcement made by the Hon'ble Prime Minister on 15 August, 2014, the Department of School Education & Literacy, Ministry of Education had launched Swachh Vidyalaya Initiative (SVI) to provide separate toilets for girls and boys in all Government schools, within one year. Under the initiative, the gaps in availability of toilets was addressed and construction/re-construction of 4,17,796 toilets, **including 1.91 lakh girls' toilets**, were completed in 2,61,400 Government elementary and secondary schools, as reported by the States and UTs.

Education is in the concurrent list of the Constitution and most of the Schools are under the jurisdiction of concerned States and UTs. The Department of School Education and Literacy has launched an Integrated Centrally Sponsored Scheme for School Education – Samagra Shiksha w.e.f. 2018-19. Under Samagra Shiksha, States and UTs are supported for strengthening of existing Government schools, and for creation and augmentation of infrastructure facilities including drinking water and toilets as per proposals received from respective State/UT based on the identified gaps.

Every year, Annual Work Plan & Budget (AWP&B) under Samagra Shiksha is prepared by the respective States and UTs based on their requirements and priorities for various interventions including

strengthening of the school infrastructure. These plans/estimates are appraised and approved by the Project Approval Board in Ministry of Education as per the programmatic and financial norms of the scheme, availability of budgetary resources and physical & financial progress, in consultation with the respective States/UTs.

Under Samagra Shiksha, construction of 4.43 lakh Boys' toilets, 5.67 lakh separate girls' toilets and 1.63 lakh toilets for Children with Special Needs (CwSN) have been sanctioned to the States/UTs for elementary and secondary schools. Out of which, States/UTs have reported construction of 4.10 lakh Boys' toilets, 5.42 lakh separate girls' toilets and 1.43 lakh toilets for CwSN, till 31.12.2022.
