QUESTION

Projects under North East Special Infrastructure Development Scheme (NESIDS)

153* Shri Ajit Kumar Bhuyan:

Will the MINISTER OF DEVELOPMENT OF NORTH EASTERN REGION be pleased to state:

- (a) whether it is a fact that the role of Ministry concerns socio-economic development of the North-Eastern Region;
- (b) if so, the details thereof;
- (c) the list of incomplete sanctioned projects under the NESIDS since their inception;
- (d) whether after releasing project funds from the Central Government, the State Governments are taking too much time to release funds to contractors and it is the main reason for the delay in implementation for many schemes; and
- (e) if so, the details thereof and the measures taken by the Central Government for a speedy release of funds to its contractors by the State Government?

ANSWER

The Minister of the Ministry of Development of North Eastern Region

[Shri G. Kishan Reddy]

(a) to (e) A statement is laid on the Table of the House.

Statement referred to in reply to parts (a) to (e) of Rajya Sabha Starred Question No.*153 for answer on 03.08.2023.

(a) & (b) Ministry of Development of North Eastern Region (DoNER) is mandated to deal with matters relating to planning, execution and monitoring of developmental schemes and projects of the North Eastern Region (NER) including those in the sectors of Power, Irrigation, Roads and Communications. While the Ministry of DoNER would coordinate with various Ministries/Departments primarily concerned with development and welfare activities in NER, respective Ministries/Departments would be responsible in respect of subjects allocated to them. Apart from coordination with Central Ministries / Departments on developmental and welfare activities, Ministry of DoNER also implements its schemes, inter-alia, the North East Special Infrastructure Development Scheme (NESIDS), for gap funding in certain sectors like health, education, connectivity, water supply, power, etc. in NER, for convergently supporting projects that are mainly taken up through State implementing agencies.

(c) The list of State-wise sanctioned projects under NESIDS which are under various stages of implementation is at Annexure.

(d) & (e) As most of the NESIDS projects are implemented by agencies under the control of State Governments, the tender process, finalization of contract, release /authorization of funds, utilization / drawal of the funds already authorized and physical progress of the work, are monitored by the respective State Governments. Previously, funds used to be released to State Governments project-wise as advance, as per extant Scheme guidelines, which used to be further released by them to implementing agencies depending upon their satisfaction regarding progress of implementation. However, from 2022-23 onwards funds are not anymore provided as advance to State Governments; and instead, funds are released directly to implementing agencies through Central Nodal Agency 'just in time' when payments are due to the contractors thereby eliminating possible delays.

Annexure referred in reply to Part (c) of Rajya Sabha Starred Question No. 153* to be answered on 03.08.2023
