**ANSWER**

**MINISTER OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP**
**(SHRI DHARMENDRA PRADHAN)**

(a) to (c)     A Statement is laid on the Table of the House.

(a)     The Ministry of Skill Development and Entrepreneurship has been implementing Pradhan Mantri Kaushal Vikas Yojana (PMKVY) since 2015, to impart Skill Development training to youth across the country through Short Term Training (STT) and Recognition of Prior Learning (RPL). Placement opportunities have been facilitated to STT certified candidates, and since RPL involves the process of certification of already existing skills, it is not linked with placements. The State-wise number of candidates trained and reported placed in each of the three phases of the PMKVY is given at **Annexure**.

(b)     Under STT component of PMKVY, as on 30.06.2023, 56.81 lakh candidates have been certified and 24.38 lakh candidates have been reported placed, which is around 43%.

(c)     To enhance the placement of the candidates, several initiatives are being taken. Employability module and On-the-job (OJT) training have been embedded in job roles. Rozgar Melas and Apprenticeship Melas are being organised regularly to connect the skilled candidates with the employers. Emphasis is also being given on skill training in new age courses and emerging sectors such as Drone, Artificial Intelligence (AI), Internet of Things (IoT), 3D Printing, Block Chain, Mechatronics, Robotics etc. to enhance the employability of the candidates.
