

**GOVERNMENT OF INDIA
MINISTRY OF COMMERCE & INDUSTRY
DEPARTMENT FOR PROMOTION OF INDUSTRY AND INTERNAL TRADE
RAJYA SABHA**

**UNSTARRED QUESTION NO. 1003.
TO BE ANSWERED ON FRIDAY, THE 28TH JULY, 2023.**

OUTLAY AND EXPENDITURE ON PLI SCHEME

1003. Shri Jayant Chaudhary:

Will the Minister of **Commerce and Industry** be pleased to state:

- (a) whether Government has launched the Production Linked Incentive (PLI) Scheme for many sectors including medical devices, bulk drugs, white goods, telecom etc.;
- (b) the total outlay and expenditure on PLI scheme since its inception and the estimated additional capital investment generated from the PLI scheme;
- (c) whether any assessments have been made on the new employment opportunities thus created, if so, the details thereof, sector-wise; and
- (d) whether Government is extending PLI schemes in sectors like toys and leather and if so, the criteria and procedure for selection of an industry or sector for inclusion in PLI scheme?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

(a) to (c): Keeping in view India's vision of becoming 'Atmanirbhar', Production Linked Incentive (PLI) Schemes for 14 key sectors have been announced with an outlay of Rs. 1.97 lakh crore (over US\$26 billion) to enhance India's Manufacturing capabilities and Exports.

The 14 sectors are: (i) Mobile Manufacturing and Specified Electronic Components, (ii) Critical Key Starting Materials/Drug Intermediaries & Active Pharmaceutical Ingredients, (iii) Manufacturing of Medical Devices (iv) Automobiles and Auto Components, (v) Pharmaceuticals Drugs, (vi) Specialty Steel, (vii) Telecom & Networking Products, (viii) Electronic/Technology Products, (ix) White Goods (ACs and LEDs), (x) Food Products, (xi) Textile Products: MMF segment and technical textiles, (xii) High efficiency solar PV modules, (xiii) Advanced Chemistry Cell (ACC) Battery, and (xiv) Drones and Drone Components.

The purpose of the PLI Schemes is to attract investments in sectors of core competency and cutting-edge technology; ensure efficiency and bring economies of size and scale in the manufacturing sector and make Indian companies and manufacturers globally competitive.

These schemes have the potential of significantly boosting production, employment and economic growth over the next five years or so.

PLI Schemes for all 14 Sectors have been notified by the concerned Ministries/ Departments after due approval. These Schemes are in various stages of implementation by the implementing Ministries/ Departments.

- (d): All the approved sectors identified under PLI Schemes follow the broad framework of new and emerging technologies where India can leapfrog, overall economic gain accruing to the economy and potential of the sectors. These sectors were approved on the vetting of NITI Aayog and after detailed deliberations with concerned Ministries/ Departments. As on date, Union Cabinet has not approved any proposal to add any new sectors under PLI Schemes.
