EXPORT HUBS IN TELANGANA

1013. SHRI B. PARTHASARADHI REDDY:

Will the Minister of COMMERCE & INDUSTRY be pleased to state:

- (a) the number of districts identified as export hubs in Telangana; and
- (b) the measures being taken to encourage export promotion, manufacturing and employment generation in Telangana along with specific measures being taken by Government to promote the export of pharmaceutical products in Telangana, the details thereof, district-wise?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SMT. ANUPRIYA PATEL)

(a) to (b) All the districts of Telangana have been included under the Districts as Export Hubs initiative. Products/Services with export potential have been identified in these districts under the initiative. An institutional mechanism has been set up in State/UTs by forming State Export Promotion Committee (SEPC) and District Export Promotion Committee (DEPC) at the District level. District Export Action Plans under “Districts as Export Hubs” detailing the existing bottlenecks in the supply chain and identifying possible interventions to mitigate the existing gaps are being prepared by the districts. These outline the support required by the local exporters and manufacturers to seamlessly export the identified products and services by supporting new businesses to export and generating employment opportunities in the districts. To encourage exports from the districts under “Districts as Export Hubs”, export promotion outreach events are being held in various districts. This includes handholding sessions with exporters and export related awareness sessions with exporters along with representatives of various related agencies/departments such as Central Board of Indirect Taxes and Customs (CBIC), Banks, Ministry of Micro, Small and Medium Enterprises (MSME), Export Promotion Councils, Local Trade Association/Chambers of Commerce, District Industries Centres, etc.

The products and services for all districts under the “Districts as Export Hubs” have been identified on the basis of consultation with the States/UTs. Regular updation of the products and services is being carried out in consultation with the State/UTs. The list of the products/Services identified in the districts of Telangana is at *Annexure*.
